<b>DATE:</b>	OCTOBER 2024
<b>NEXT REVIEW DUE BY:</b>	OCTOBER 2025

**LOCAL GOVERNMENT PENSION SCHEME  
PAYMENT OF DISCRETIONARY COMPENSATION TO EMPLOYEES  
POLICY ON EXERCISE OF EMPLOYER DISCRETIONS**

**Middlesex Learning Partnership** as an employer is under a legal duty to prepare and publish a written statement of its policy relating to certain discretionary powers under the Regulations which apply to the Local Government Pension Scheme (“the LGPS”).

**Middlesex Learning Partnership** is also under a duty to formulate, publish and keep under review the policy that **Middlesex Learning Partnership** applies in exercising discretionary powers under Regulations relating to the payment of compensation to employees whose employment is terminated as a result of redundancy or certain other reasons.

This document is intended to comply with these duties and, in the following table, sets out the discretionary powers concerned, identifies the relevant Regulation that gives **Middlesex Learning Partnership** the discretion and describes how the discretion will be exercised.

The policy set out in this document will not be departed from except as provided for in the policy or following a variation to the policy approved by Middlesex Learning Partnership.

This statement is not a definitive statement of the law and is subject to the provisions of the relevant Regulations.

The Regulations that apply to the LGPS are:

- The Local Government Pension Scheme Regulations 2013 (these are referred to as the “Pensions Regulations”);
- The Local Government Pension Scheme (Transitional Provisions, Savings and Amendment) Regulations 2014 (referred to as the “Transitional Regulations”);
- The Local Government Pension Scheme (Benefits, Membership and Contributions) Regulations 2007 applied to the LGPS before 1 April 2014, are preserved in part on a transitional basis by the Transitional Regulations and are referred to as the “Benefits Regulations”

The Regulations which apply to the payment of compensation to employees whose employment is terminated as a result of redundancy, other specified reasons or injury are:

- The Local Government (Early Termination of Employment) (Discretionary Compensation) (England and Wales) Regulations 2006 (referred to as the “Compensation Regulations”).
- The Local Government (Discretionary Payments) (Injury Allowances) Regulations 2011 (referred to as the “Injury Regulations”).

In the table below:

- (1) “The Scheme” or “the Pension Scheme” means the LGPS and “the Fund” or “the Pension Fund” means the fund maintained under the LGPS;
- (2) “Member” means a member of the LGPS;
- (3) “Active member” means a member in employment and paying, or treated as paying, contributions to the LGPS, or absent from employment for a reason mentioned in Regulation 11 of the Pensions Regulations.
- (4) References to a member with transitional protection are those who can count membership accrued before 1 October 2006 and who have statutory transitional protection under the Transitional Regulations, wholly or partly, from changes that would otherwise be made to their pension entitlements and/or from actuarial reductions that would otherwise be applied to their pension benefits as a result of the coming into force of the Pensions Regulations on 1 April 2014.
- (5) References to a member meeting “the 85 year rule” are those a members whose age in whole years when added to the member’s total membership in whole years is 85 years or more.

The power to exercise and to take any decision in relation to the each of the discretions is delegated to **Middlesex Learning Partnership**.

This statement was approved by **Middlesex Learning Partnership** and is intended to comply with **Middlesex Learning Partnership’s** duties under Regulation 60 of the Pensions Regulations, Regulation 7 of the Compensation Regulations and Regulation 14 of the Injury Regulations.

This document sets out the scheme employer’s policy on the operation of each of the mandatory discretions (and optional discretions where chosen) available under the LGPS Regulations. It states whether or not discretions will be operated and the circumstances and criteria for applying them.

**The following discretions apply to members who were actively paying into the scheme as at 1 April 2014 onwards**

**PART A - Mandatory Discretions**

**Power to award additional pension  
Regulation 31**

**Whether, at the full cost to the Scheme employer, to grant extra annual pension of up to £7,579 (figure at 1 April 2023) to an active member or within 6 months of leaving to a member whose employment was terminated on the grounds of redundancy or business efficiency [regulation 31 of the LGPS Regulations 2013]**

### Employer Policy Decision

**Middlesex Learning Partnership will only award additional pension in exceptional circumstances.**

This means the employing authority has the power to award additional pension to an active member.

The employer can also award additional pension to members who leave on the grounds of redundancy, business efficiency or mutual consent on grounds of business efficiency – up to six months after termination.

The employer would be required to make a capital payment (in addition to the cost of purchase) if the member retired early on any grounds apart from permanent ill-health.

### Shared cost additional pension contributions

Regulation 16(2e) (4d)

#### **Whether, how much, and in what circumstances to contribute to a Shared Cost APC scheme**

Whether, where an active member wishes to purchase extra annual pension of up to £7,579 (figure as at 1 April 2023), by making additional pension contributions (APCs), to voluntarily contribute towards the cost of purchasing that extra pension via a shared cost additional pension contribution (SCAPC) [regulations 16(2)(e) and 16(4)(d) of the LGPS Regulations 2013].

Note: This does not include instances where the employee is paying for **lost** pension via an APC where the election was made in the first 30 days (or longer if the employer allows) – in this circumstance the employer **must** pay two-thirds of the cost of such purchase

### Employer Policy Decision

**Middlesex Learning Partnership will only contribute towards APCs in exceptional circumstances.**

The employing authority can choose to pay additional pension contributions on behalf of active employees.

**Whether to allow flexible retirement  
(Regulation 30 (6)) & TP11(2) & R30(8)**

Whether to allow flexible retirement for staff aged 55 or over who, with the agreement of the Scheme employer, reduce their working hours or grade [regulation 30(6) of the LGPS Regulations 2013] and, if so, as part of the agreement to allow flexible retirement:

- whether, in addition to the benefits the member has built up prior to 1 April 2008 (which the member must draw), to allow the member to choose to draw:
  - I. all, part or none of the pension benefits they built up after 31 March 2008 and before 1 April 2014, and / or
  - II. all, part or none of the pension benefits they built up after 31 March 2014 [regulations 11(2) and 11(3) of the LGPS (Transitional Provisions, Savings and Amendment) Regulations 2014], and
- whether to waive, in whole or in part, any actuarial reduction which would otherwise be applied to the benefits taken on flexible retirement before Normal Pension Age (NPA) [regulation 3(5) of the LGPS Transitional Provisions, Savings and Amendment) Regulations 2014, regulation 18(3) of the LGPS (Benefits, Membership and Contributions) Regulations 2007 and regulations 30(6) and 30(8) of the LGPS Regulations 2013].

**Employer Policy Decision**

**i) Whether to allow flexible retirement**

**Middlesex Learning Partnership will only award flexible retirement in exceptional circumstances.**

**ii) Whether to allow the member to choose to take**

**Middlesex Learning Partnership will only allow the member to take part or none of the pension benefits they built up after 31 March 2008 and before 1 April 2014, in exceptional circumstances.**

**Middlesex Learning Partnership will only allow the member to take part or none of the pension benefits they built up after 31 March 2014, in exceptional circumstances.**

**iii) Whether to waive, in whole or in part, any actuarial reductions which would otherwise be applied to the benefits taken on flexible retirement before Normal Pension Age**

**Middlesex Learning Partnership will only waive in whole or in part, any actuarial reductions which would otherwise be applied to the benefits taken on flexible retirement before Normal Pension Age, in exceptional circumstances.**

### **Switching on the 85 year rule**

[paragraph 1(1)(c) of Schedule 2 to the LGPS (Transitional Provisions, Savings and Amendment) Regulations 2014]

### **Whether to “switch on” the 85 year rule for a member voluntarily drawing benefits on or after age 55 and before age 60.**

Members are now able to voluntarily retire between ages 55 and 60. If they were a member of the LGPS on 30 September 2006 then some of their benefits could be protected from reductions applied to early payment under the 85-year rule. This rule only applies automatically to members voluntarily retiring from age 60 but the employer has the discretion to “switch it on” for voluntary retirements between age 55 and 60.

### **This discretion does not apply to flexible retirement (see [Regulation 30\(6\)](#)) whereby the 85 year rule is always switched on.**

Where the employer does not choose to “switch on” the rule, then

- a) if the member has already met the 85 year rule, the member’s benefits are to be reduced in accordance with actuarial guidance issued by the Secretary of State (with the benefits from any pre 1 April 2008 membership for members who will not be 60 or more on 31 March 2016, and benefits from any pre 1 April 2016 membership for members who will be 60 or more on 31 March 2016, which would not normally have been subject to an actuarial reduction nonetheless being subject to a reduction calculated by reference to the period between the date the benefits are drawn and age 60) [paragraphs 1(2) and 1(4) of Schedule 2 to the LGPS (Transitional Provisions, Savings and Amendment) Regulations 2014], or
- b) if the member has not already met the 85 year rule, the member’s benefits are to be reduced in accordance with actuarial guidance issued by the Secretary of State (with the reduction on that part of the member’s benefits subject to the 85 year rule being calculated by reference to the period between the date the benefits are drawn and age 60, or the date of attaining the 85 year rule, whichever is the later), and
- c) the Scheme employer can exercise a discretion to waive any actuarial reductions (including where an actuarial reduction may still be applied to a member’s benefits after ‘switching back on’ the 85 year rule in full) (at cost to the Scheme employer, via an employer strain charge).

### **Employer Policy Decision**

#### **Middlesex Learning Partnership will only switch-on the 85-year rule in exceptional circumstances.**

The employer can agree to switch on the 85-year rule, which may mitigate reductions that would, otherwise, apply but the employer may have to make a capital payment.

## Waiving of actuarial reductions

Regulation 30(8), TP3(1), TPSch 2, para 2(1), B30(5) and B30A(5)

### **Whether to waive, in whole or in part, any actuarial reductions on benefits which a member voluntarily draws before normal pension age (other than on the grounds of flexible retirement).**

Employers can agree to waive any actuarial reductions due in the case of employees retiring any time after age 55. For active members voluntarily retiring on or after age 55 and before Normal Pension Age (NPA), who elect under regulation 30(5) of the LGPS Regulations 2013 to immediately draw benefits, and for deferred members and suspended tier 3 ill-health pensioners who elect under regulation 30(5) of the LGPS Regulations 2013 to draw benefits (other than on ill health grounds) on or after age 55 and before NPA.

### **There are 4 member groups which you would be making the discretions policy on, the below covers in what circumstance reductions can be waived and to which benefits these would apply:**

#### **Group 1 - Members joined before 1 October 2006 and who reached 60 before 1 April 2016**

- To waive on compassionate grounds, any actuarial reductions applied to benefits built up before 1 April 2016, and/or
- To waive, in whole or in part, on any grounds, actuarial reductions applied to benefits built up after 31 March 2016

#### **Group 2 - Members joined before 1 October 2006 and who reach age 60 between 1 April 2016 and 31 March 2020 and also meet their critical retirement age before 1 April 2020 (date member meets the 85 year rule)**

- To waive on compassionate grounds, any actuarial reductions applied to benefits built up before 1 April 2020, and/or
- To waive in whole or in part on any grounds, actuarial reductions applied to benefits built up after 31 March 2020

#### **Group 3 - Members joined before 1 October 2006 and who reach age 60 after 31 March 2020 (or who would reach age 60 between 1 April 2016 and 31 March 2020 and don't meet their critical retirement age before 1 April 2020 (date member meets the 85 year rule)**

- To waive on compassionate grounds, any actuarial reductions applied to benefits built up before 1 April 2014, and/or
- To waive, in whole or in part on any grounds, actuarial reductions applied to benefits built up after 31 March 2014

#### **Group 4 - Members joined after 1 October 2006**

- To waive on compassionate grounds, any actuarial reductions applied to benefits built up before 1 April 2014, and/or

- To waive, in whole or in part on any grounds, actuarial reductions applied to benefits built up after 31 March 2014

**Employers should also note that the strain cost of any such retirements would need to be met by the employer and paid into the Pension Fund at the appropriate time.**

#### **Employer Policy Decision**

**Whether to waive any actuarial reductions for a member voluntarily drawing benefits before NPA (other than on the grounds of flexible retirement), as outlined above.**

**Middlesex Learning Partnership will only waive actuarial reductions in exceptional circumstances.**

The employing authority can agree to waive reductions to the pension of a member aged 55 or over who has left employment or been granted flexible retirement.

The employer may be required to make a capital payment if they do so.

#### **The following discretions apply to members who left the scheme between 1 April 2008 and 31 March 2014**

#### **Whether to “switch on” the 85 year rule for a member with deferred benefits voluntarily drawing benefits on or after age 55 and before age 60**

[paragraph 1(1)(c) & 1(2) of Schedule 2 to the LGPS (Transitional Provisions, Savings and Amendment) Regulations 2014]

Whether to “switch on” the 85 year rule for a member with deferred benefits voluntarily drawing benefits on or after age 55 and before age 60.

A member with a deferred benefit who left the scheme voluntarily between 1 April 2008 – 31 March 2014 and who has subsequently become a deferred pensioner may now claim their benefits from age 55 without their employer’s consent. However, these benefits will be reduced for early payment.

Where a member has reached the 85 year rule at the point of retirement, an employer can consent to switching on the 85 year rule. Any ‘strain’ to the Fund will be payable immediately by the Scheme employer.

#### **Employer Policy Decision**

**Middlesex Learning Partnership will only “switch on” the 85 year rule for a member with deferred benefits voluntarily drawing benefits on or after age 55 and before age 60, in exceptional circumstances.**

**Whether to ‘switch on’ the 85 year rule upon the voluntary early payment of a suspended tier 3 ill health pension?**

[paragraph 1(1)(c) & 1(2) of Schedule 2 to the LGPS (Transitional Provisions, Savings and Amendment) Regulations 2014]

Whether to “switch on” the 85 year rule for a member with a suspended tier 3 ill-health pension voluntarily drawing benefits (on or after 14 May 2018) on or after age 55 and before age 60.

Where a member has reached the 85 year rule at the point of retirement, an employer can consent to switching on the 85 year rule. Any ‘strain’ to the Fund will be payable immediately by the Scheme employer.

**Employer Policy Decision**

**Middlesex Learning Partnership will only “switch on” the 85 year rule for a member with a suspended tier 3 ill-health pension voluntarily drawing benefits (on or after 14 May 2018) on or after age 55 and before age 60, in exceptional circumstances.**

**Whether to waive upon the voluntary early payment of deferred benefits any actuarial reduction on compassionate grounds?**

[regulation 30(5) of the LGPS (Benefits, Membership and Contributions) Regulations 2007 and paragraph 2(1) of Schedule 2 to the LGPS (Transitional Provisions, Savings and Amendment) Regulations 2014]

A member with a deferred benefit who left the scheme voluntarily between 1 April 2008 – 31 March 2014 may now claim their benefits from age 55 without their employer’s consent. However, these benefits will be reduced for early payment.

An employer can consent to waiving any reductions, on compassionate grounds, that would normally be applied to deferred benefits which are paid before age 65.

**Employer Policy Decision**

**Middlesex Learning Partnership will only waive upon the voluntary early payment of deferred benefits any actuarial reduction on compassionate grounds, in exceptional circumstances.**

**Whether to waive upon the voluntary early payment of a suspended tier 3 ill health pension, any actuarial reduction on compassionate grounds?**

[regulation 30A(5) of the LGPS (Benefits, Membership and Contributions) Regulations 2007 and paragraph 2(1) of Schedule 2 to the LGPS (Transitional Provisions, Savings and Amendment) Regulations 2014]

A member with a suspended tier 3 ill health pension and who left the scheme between 1 April 2008 – 31 March 2014 may now claim for their pension to be brought back into payment from age 55 without their employer’s consent. However, these benefits will be reduced for early payment.

An employer can consent to waiving any reductions, on compassionate grounds, that would normally be applied to deferred benefits which are paid before age 65.

**Employer Policy Decision**

**Middlesex Learning Partnership will only waive upon the voluntary early payment of a suspended tier 3 ill health pension, any actuarial reduction on compassionate grounds, in exceptional circumstances.**

**The following discretions apply to members who left the scheme between 1 April 1998 and before 1 April 2008**

**Whether to ‘switch on’ the 85 year rule upon the voluntary early payment of deferred benefits [paragraph 1 (1) (f) & 1 (2) of Schedule 2 to the LGPS (Transitional Provisions, Savings and Amendment) regulations 2014]**

**Whether, as the 85 year rule does not automatically fully apply to members who would otherwise be subject to it and who choose to voluntarily draw their deferred benefits (on or after 14 May 2018) on or after age 55 and before age 60, to switch the 85 year rule back on in full for such members.**

Deferred members who left the scheme after 1 April 1998 are now able to voluntarily retire between ages 55 and 60. If they were a member of the LGPS on 30 September 2006 then some of their benefits could be protected from reductions applied to early payment under the 85 year rule. This rule only applies automatically to members voluntarily retiring from age 60 but the ceding employer has the discretion to “switch it on” for voluntary retirements between age 55 and 60.

Where the employer does not choose to “switch on” the rule, then benefits built up would be subject to reduction in accordance with actuarial guidance issued by the Secretary of State regardless of whether a member meets the rule or not

If the employer does agree to “switch on” the 85 year rule, the employer will have to meet the cost of any strain on fund resulting from the payment of benefits before age 60 i.e. where the member has already met the 85 year rule or will meet it before age 60.

**Employer Policy Decision**

**Middlesex Learning Partnership will only “switch on” the 85 year rule upon the voluntary early payment of deferred benefits, in exceptional circumstances.**

**Whether to grant applications for the early payment of pension benefits on or after age 50 and before age 55**

However, these benefits may be reduced for early payment and/or be subject to an unauthorised payment charge under the Finance Act 2004

**Employer Policy Decision**

**Middlesex Learning Partnership will only grant applications for the early payment of pension benefits on or after age 50 and before age 55, in exceptional circumstances.**

**Whether, on compassionate grounds, to waive any actuarial reduction that would normally be applied to benefits**

[regulation 31(5) of the LGPS Regulations 1997 and paragraph 2(1) of Schedule 2 to the LGPS (Transitional Provisions, Savings and Amendment) Regulations 2014].

Whether to waive any actuarial reduction on compassionate grounds which would normally be applied to benefits which are paid before age 65.

Employers should note that the strain cost of any such retirements would need to be met by the employer and paid into the Pension Fund at the appropriate time.

**The following discretions apply to members who ceased active membership before 1 April 1998**
